

Here are the Exact Words of the Christ re the Present-Future Times

Here is the exact quote by the Christ from the New Testament re the present>future times. We have put a simplified explanation below the quote(s) so that everyone can understand what is being said in a more modern-day (but not watered down) fashion. The aim is not to put fear into people but to clarify the deeper revelation of these statements in terms of the 'ending' of the Age of Pisces' (= the *End of Days*) and **not** of course the 'end of the world'. Also that the final battle between the Forces of Light and Forces of the Shadow (before the Age of Aquarius is directly entered into) is what is referred to as **Armageddon**, and this is not a battle/war to 'end the world' but to bring the Age of Pisces to its final climatic conclusion. People should therefore not be surprised that this battle or 'ending' (which includes the collective, national and personal 'working out of karma' from the past 2,000 years) involves three major interconnected facets. Firstly so-called natural (or unnatural man-enhanced) disasters (earthquakes, volcanic eruptions, tornadoes, floods, wildfires, plagues, etc). Secondly political-economic-social greed-ridden corruption and the resultant upheavals and radical transformations. Thirdly religious-based conflicts and wars, which are really a carry on of ancient ignorant beliefs and enmities and 'crusade-jihad' battlegrounds, which have nothing to do with true religion or with real relationship with God/the Divine. So read the New Testament (including from 'Revelations') wording and then read our explanation to get a clearer picture of what is being said by the Christ and yours truly. Religious and esoteric 'robots' who simply 'follow' what has been said in the past without updating and clarifying in a modern-day context are of little use to anyone. Humans need to 'use' their higher Minds (and 10-billion brain cells which the Mind 'activates') to Think Deeply about and Understand all these issues.

'Take heed that no man deceive you. For many shall come in My Name, saying, I am Christ; and shall deceive many. And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in diverse places. All these are the beginning of sorrows. Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my name's sake. And then shall many be offended, and shall betray one another, and shall hate one another. And many false prophets shall rise, and shall deceive many. And because iniquity shall abound, the love of many shall wax cold. But he that shall endure unto the end, the same shall be saved. And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come'

Once again there is a simple understanding of all these statements. This is related to the Ending/Closing down/death of the Age of Pisces and all the circumstances related to this 'death process' and the 'working out of karma'. This is evidenced in the present>future human world situation [political>economic>social, religious, and also personal, and via things like the coronavirus, the locust plague in E Africa, and re what we sent you about global events in 2019/20>>]. This produces much fear and apprehension, and fear in itself produces all sorts of negativity – confusion, insecurity, hate, revenge, intolerance, the rise of far right groups, religious fanaticism, false prophets and messiah's, etc.

The 'End' is the end of the Age of Pisces, and simultaneously the beginning of the new Age of Aquarius [the Brotherhood-Sisterhood of Humanity, which will officially begin when the Avatar of Aquarius appears to inaugurate this Age.]. The '*Gospel of the Kingdom*' is simply the Love>Light>Peace Message and Teaching of the Age of Aquarius and the Science of the [Immortal All-Knowing] Soul. IF you *Know* you are *Immortal* and an *Agency of Love and Wisdom and Goodwill and Healing...well...you are 'saved'*. Christians (and Jews and Muslims) get caught up in the 'literal wording' which in fact produces fear and arrogance and not Love and Humility, for all this is really saying is 'Choose Love and Life over fear and death' [Evil spelt backwards = Live]. The Evangelicals (and ultra-religious Jews and Muslims) are so trapped in fear and stupidity that they actually 'believe' that they are the 'chosen ones' and that their Messiah is coming to 'save them' and God help the rest of the human race. These religious groupings (who are really sects and cults) will preach this to the masses and they are thus [paradoxically] part of the anti-Christ forces, the 'false prophets', for the Christ/World Avatar/Kalki Avatar/Imam Mayd/Buddha Maitreya i is coming for All Humanity, and not for any one section. This, by the way, is common sense. You do not have to be an Einstein to comprehend this simple truth, although we need Soul-Knowledge to replace mere beliefs.

Things will get very rough and there is going to be a lot of suffering for both the human and animal kingdoms [See what happened in Australia re the wildfires – huge numbers of animals died in the fires, burnt to death. See Utube and feel the sorrow and pain]. See what is happening in E Africa re the plague of locusts. Etc, Etc, Etc, Etc). And what about what all humans are going through personally - re inner and outer stress, trauma, dis-eases, suicides, addictions, and loss of meaning, etc. As humans we all have to also 'work out karma' and 'wake up' re the present>future swap over of Ages. And we are only in the first two months of 2020. The collective, national and the personal are of course connected.

Here is some more New Testament revelation and 'language':

Truly, "Men's hearts (are) failing them for fear, and for looking after those things which are coming on the earth." Luke 21: 25-26. This fear prompts the attitude of ego-resistance and pride and rational excuses for why 'all is well' and there is nothing to really worry about, and to thus 'sit on the fence'. But as this 'death' process intensifies and reaches its very painful and sorrowful climax (re 2020>2025) the peoples of the world will become more and more fearful as 'things go out of control'. Many will try and escape back to the past (re isolation, religious fanaticism, far right ideology, addictions, suicides, etc). In **Revelation 18** the term **Babylon** appears, and the symbolical meaning of **Babylon** is the 'world commercial structure upon which world trade, and so-called progress, are based', our so-called modern day **market-force Capitalism** (banking/financial institutions/military-industrial complex/etc) system and the dark forces that control it, and their plan to 'enslave humanity' and 'take control of global resources'. This is now occurring directly and the dark Forces have chosen their 'channel' to bring this about, namely dumb-minded Donald Trump, for they always choose deeply insecure, simple-minded, deceptive, false bravado fools (Hitler, Mussolini, Stalin, G W Bush, Trump, Netanyahu, Zuma, etc) for this purpose (And these men always have their dark group to support their dark wills). The reason why Trump is able to imprison so many naive people is that the dark Lodge is 'using' him in the same way they used Hitler, etc. And yet in the **18th chapter of Revelation** (which the high disciple John is receiving/perceiving) there is the following "And after these things have come to pass I saw another Angel come down from heaven, having great power; and the earth was lightened with its glory. And it cried mightily with a strong voice, saying, 'Babylon the great is fallen, is fallen...". These *physical* events have already taken place from an *inner standpoint* (which is always the case with such 'inner-outer' events) in that those who are involved (in this dark plan) have refused to choose reality and must therefore pay the deadly price (This is a very fascinating part of Revelation because it is connected to the coming **economic meltdown** (Pluto) and collapse (Neptune) of this Babylonian system, which might well occur this year onwards. It also indicates that divine Forces, the Forces of Light, which include the Angelic Kingdoms, do interfere in human affairs, when necessary, and when 'invoked'. This is the power of *invocation*, which is a science in itself).

Then comes the issue of the so-called 'false prophets and false messiah's'. This issue will especially be the case this year with the **triple conjunction of Jupiter and Pluto in Capricorn (The first conjunction is on April 5)**. This is the perfect conjunction for false prophets and messiah's because **Jupiter** represents such so-called religious and astral/emotionally-polarised (not spiritual) people and **Pluto** represents the dark underworld of ignorance, lies, deception, self-deception, falsehood, manipulation, etc (of which Trump is a master. 'Corrupt' because Trump/Johnson/Netanyahu all came to power via falsehoods, deception, and bribery and IT manipulation). So - BE AWARE of this and warn your family/friends/networks. Muslims refer to these false prophets/messiahs as **Dajjal**, meaning 'deceivers'. They will lie and deceive – remind us of some folk in positions of material power, and look how many people are deceived despite all the education/TV/books/etc. This is all connected to the prophesied appearance of the so-called **anti-Christ**, who, in a sense, is the 'great tester' (In astrology Lucifer is connected to Saturn, who is called the Great Tester, and Saturn's position in the birth chart is where one comes under extreme testing). But people who allow themselves to be 'deceived' and 'follow' these false messiah's will pay a very heavy price, for once you have been imprisoned by these dark agencies it is very difficult to free oneself from them (Thus we see how Trump supporters follow him despite all his lies and dark propaganda and how Johnson conned UK folk).

How many people are actually 'aware' of what is happening and 'why'? But everyone is going to have to 'choose' the past or the future because all humans are part of humanity and this is a collective drama. **No one is exempt**, be it that so many people think they are. Do the wildfires and floods and locusts and earthquakes and diseases avoid those who are unconscious and asleep and those who sit on the fence? The whole Purpose of what is happening IS to force humans to **Wake Up and evolve consciously, intelligently and responsibly**, which IS the higher Purpose of human evolution (and thus the Will of God). Only those who are AWAKE and Responsible can avoid the great upheavals that are here-now and coming. The moment a person truly Wakes Up [and does **not** go back to sleep] is the moment the Soul or Higher Christ Self 'makes Its approach' and brings guidance and protection and revelation. All too often humans do not realise that it is not God or even the Christ but the Soul who provides this divine Revelation and Protection for the '*Soul is God for the Individual (Couple/Family/Group)*', although the Christ and the Angelic kingdom do the larger Global Work.

Revelations (from the New Testament) is thus the Christ's prophesy (via John the disciple/initiate) for the present>future times. It has little to do with Christianity (Christ was not a Christian). It has to do with the Revelation of Truth, and the swapping over of Astrological Ages and the great 'death-rebirth' cycle that humanity is now in. No one can 'sit on the fence' and imagine that they are immune from what is Happening.

Here is another statement from the New Testament (= Christ's Prophecies) re the present>future times that require clarification via its symbology:

* '*Towards the end of the Age the dead shall rise from their graves*'. This simply means that '*towards the end of the Age of Pisces (now) many people who are 'asleep' shall 'wake up*'.
